GOVERNOR'S WORKFORCE DEVELOPMENT DIRECTIVE NO. PY2008-06

SUBJECT: PY 2009/FY2010 Grant Agreement Package

1. **Purpose.** To provide Local Workforce Investment Boards with guidance on the development and submission of their respective PY2009/FY2010 grant agreement packages.

2. **Discussion.** The instructions for local area preparation of PY2007 WIA Adult, Dislocated Worker, and Youth annual grant agreement package submission, provided under GWDD No. PY2007-07, are appropriately updated to accommodate PY2009 grant agreement submission requirements.

   A Grant agreement Package, including Grant Agreement Sheet (WIA-59), assurances/certifications, and a modified WIA Grantee Budget Summary (WIA-60) form are prescribed. Current versions of these forms can be located on the ADECA website: adeca.alabama.gov.

3. **Action.** Each local workforce investment board shall use the attached guidance when preparing/submitting its respective PY2009/FY2010 Grant Agreement Package.

   As allocations for Program Year 2009 WIA Adult, Youth, and Dislocated Worker programs have not yet been released from the Department of Labor an estimated allocation of ninety (90) percent of PY2008 allocations should be utilized for program budgets. Once the Department of Labor has provided PY2009 allocations they will be released under the title of Workforce Development Directive PY2008-05. Proposed State Level Goals for Program Year 2009 are attached to this Directive.

   This grant agreement package is due to ADECA on May 26, 2009. Once actual allocations are available, budget pages and corresponding documents will be updated to reflect the corrected funds.

4. **Contact.** Any questions regarding this Directive should be addressed to Sara Calhoun, Workforce Development Division, State Planning at (334) 353-1632.

Office of Workforce Development

**NOTE:** On a separate sheet, please separately indicate specific area, if any, in which Younger Youth, Older Youth, Dislocated Worker and Adult Occupational Skills Training, On-the-Job Training programs are conducted.

**Required Elements of Youth Program:**

Briefly discuss local area strategy for providing the following WIA Youth program elements, as required under Section 129(c)(2):

1. Tutoring, study skills training and instruction leading to completion of secondary school, including drop out prevention strategies;
2. Alternative secondary school services;
3. Summer employment opportunities that are directly linked to academic and occupational learning;
4. Paid and unpaid work experience, including internships and job shadowing;
5. Occupational skill training;
6. Leadership development opportunities;
7. Supportive services;
8. Adult mentoring;
9. Follow-up services for not less than twelve months after completion of program participation; and
10. Comprehensive guidance and counseling services.

Where the above – required Youth program elements are delivered through appropriate “other agency” referral, so indicate, describing local area case manager follow-up measures undertaken to ensure these referral services are satisfactorily delivered to the affected WIA participants.

**Youth Program Services to Non-Economically Disadvantaged Persons:**

WIA Section 129(c)(2) provides for Youth Program services that are generally targeted for youth satisfying income eligibility requirements. However, Section 129(c)(5) indicates that up to five percent of a local area’s Youth Program participants need not meet relevant income criteria if they belong to one or
more specified hardship categories (Section 129(c)(5)(A-G)), or the optional local board designated “serious barriers as identified by the local board” category (Section 129(c)(5)(H)).

Indicate whether the local area Youth Program plans to extend Section 129 services to non-economically disadvantaged persons, per Section 129(c)(5), and whether the local board has identified Section 129(c)(5)(H) other “serious barriers.”

C. **LWIA Adult, Youth, Dislocated Worker Performance Goals:**

Using the proposed State Level PY09 Performance Goals (attached), Local Workforce Investment Areas should provide their respective proposed performance goals for the Adult, Dislocated Worker and Youth programs in their grant agreement documents for consideration. The State office will be in contact with each local area to negotiate goals as Plans are reviewed.

2. Employment Retention Rate

2. Diploma or Equivalent Attainment Rate
3. Retention Rate

**Youth Program (19-21)**

As indicated in Governor’s Workforce Development Directive No. PY06-04, dated February 2, 2007, “…local areas are responsible for the design and development of WIA participant training programs which meet the applicable requirements of USDOL TEGL No. 17-05, as appropriate to accommodate local labor market conditions…”

Each local area must provide a narrative description of adopted WIA credentialing/certificate programs and procedures in sufficient detail to indicate reasonable compliance with the applicable requirements of TEGL No. 17-05.

D. **Adult, Dislocated Worker Program On-the-Job Training, Customized Training Activities:**

WIA Section 134(d)(4)(G)(ii) indicates that a local area may provide on-the-job training and/or customized training services “…pursuant to a contract for services in lieu of an individual training account…” if the local board determines, 1) there are insufficient numbers of eligible providers of training in the local area to accomplish the purposes of a system of individual training accounts, or
2) there is a program of demonstrated effectiveness offered by a community-based organization or other private organizations specifically serving segments of the local area participant population which face multiple employment barriers. (Per TEGL 14-08 the American Recovery and Reinvestment Act of 2009 funds are not subject to the two provisions listed above.)

Indicate whether the local area will directly contract on-the-job training and/or customized training programs, pursuant to Section 134(d)(4)(G). If applicable, indicate the local area basis for determination of an otherwise insufficient number of potential individual training account service providers, and/or local area criteria which establish a prospective on-the-job training/customized training provider’s demonstrated effectiveness.

Specify any and all activities in which you plan to engage in this program year, including youth and incumbent worker training programs.

The State requested and was granted a waiver to allow up to 10 percent of local area formula funds to be used to provide Incumbent Worker Training funds. The waiver permits up to 10 percent of local area funds to provide activities allowable under WIA section 134(a)(3) excluding administration through June 30, 2009. A request to extend this waiver until June 30, 2010 is being submitted. The State is required to report these outcomes in the WIASRD report. List the amount of funds to be used and the planned number of participants.

E. Participant Payment Systems:

Describe the local area’s planned delivery system for supportive services, including financial supportive services, to WIA Adult, Dislocated Worker and Youth participants.

F. Transfer of Funds:

Per correspondence of September 13, 2007, USDOL/ETA has granted Alabama’s requested waiver of the WIA Section 133(b)(4) Adult Program-Dislocated Worker Program funds transfer authority from a maximum of fifty percent of the Program/Fiscal Year allocation to a maximum of one hundred percent of the Program/Fiscal Year allocation. This waiver has been extended through June 30, 2009. A request for extension until June 30, 2010 is being submitted.

Any such LWIA funds transfer request must be submitted in the Grant Agreement document or modification and must further be accompanied by appropriate justification, clearly indicating why the request is being made and how granting of the request will benefit local area delivery of workforce development services.

Any local workforce investment area funds transfer should observe relevant provisions of the Act.

G. Budget Summary:

Each LWIA Grant Agreement Package includes a Grantee Budget Summary (WIA-60) showing the program year funds allocated for each of the funding streams, transfers between the Adult and Dislocated Worker allocations, and the net amounts available for expenditure. In addition, the budget form shows how the funds are planned for expenditure between the administrative and program categories.

Each LWIA will have one year to obligate WIA funds and one additional year to expend the funds, subject to the first year 80 percent obligation requirement and to any subsequent year reallocations. A modification to the Grant WIA-60 will be necessary to depict any increase or
decrease in LWIA allocation (net) amounts resulting from such fund reallocations. A modification to the Grant WIA-60 will also be required to document any Governor’s 15% (Incentive/Capacity Building) funds awarded the LWIA.

From the attached PY2009 state-level and LWIA funding information, complete a Grantee Budget Summary (WIA-60) form, depicting LWIA Adult/Dislocated Worker/Youth funding for the grant period, and attach it to the Grant Agreement Package. This WIA-60 budget document will be a part of the Grant Agreement Package until depicted funds have been fully expended.

Note that it is not necessary for local areas to obtain the respective chief local elected official and LWIA Chair signatures when submitting a minor modification to their Grant Agreement Package. Rather, a third page may be attached to the original WIA-59 WIA Grant Agreement Summary. This additional page will indicate the revised WIA-59 Part E proposed funding and carry the signature of the local area Grant Recipient representative. Upon State approval of the minor modification, this same page will be countersigned by the Division Director, Workforce Development Division and attached to the signed WIA Grant Agreement accompanying the originally submitted local area Grant Agreement Package.

The approved local area Grant Agreement Package minor modification will be transmitted back to the local area under a Notice of Action, signed by the Division Director, Workforce Development Division. The Notice of Action will summarize local area WIA funding obligation authority.
