

# Sample Proposals

DISCLAIMER:

Any information included in this package concerning grants are provided for informational purposes only. Grant Applicants are encouraged to conduct their own evaluation of grant information. Inclusion of names, brochures or contact list is not an indication of approval or preference, expressed or implied, by the State.

## Sample Proposals

### U.S. Department of Education—

<http://www.ed.gov/about/inits/list/fbci/grants2.html>

Sample Proposals from the U.S. Department of Education: Center for Faith-Based and Community Initiatives

### National Institute of Health—

<http://www.niaid.nih.gov/ncn/grants/app/default.htm>

An example of a well-written NIH grant application. Dr. Mark Smeltzer permitted NIH to use this outstanding basic science application.

### Nonprofit guides—

<http://www.npguides.org/index.html>

Non-profit guides are free web-based grant-writing tools for non-profit organizations, charitable, educational, public organizations, and other community-minded groups. These guides are designed to assist established non-profits through the grant-writing process.

### GrantProposal.com—

<http://www.grantproposal.com/>

A site devoted to providing free resources for both advanced grantwriting consultants and inexperienced nonprofit staff.

### The Idea Bank—

<http://theideabank.com/onlinecourse/samplegrant.html>

These proposals come from participants in our grant writing course. Some are newly written while others have now been funded and are marked **Successfully Funded**.

### School Grants—

[http://www.schoolgrants.org/proposal\\_samples.htm](http://www.schoolgrants.org/proposal_samples.htm)

SchoolGrants receives many requests from people wishing to see examples of successful grant proposals. Several generous grant-writers have shared successful proposals they've written. A very special thanks is extended to each person who has been willing to assist others in the *SchoolGrants* community by contributing their grant applications.

### Sinclair Community College—

<http://www.sinclair.edu/departments/grants/index.cfm>

This site provides guidance and sample proposals for Non National Science Foundation grants and NSF grants.

### University of Louisiana at Monroe—

[http://www.ulm.edu/gradschool/Help\\_Page.htm](http://www.ulm.edu/gradschool/Help_Page.htm)

This site provides examples of grant narratives and links to additional resources.

### SERA—

<http://www.sera.com/index.php?option=home>

includes brief instructions and templates for a proposal, letter of inquiry, proposal cover letter, and budget. These templates are available in HTML or MS Word.
